**ASG Security, headquartered in Beltsville, MD, announced today that it completed four new acquisitions in the month of December. ASG Security is one of the 20 largest U.S. alarm security companies with operation in the Mid-Atlantic region and throughout the State of Texas.**

i-NewsWire, 2005-01-14 - ASG Security announced today that it completed four new acquisitions in the month of December. "These are key transactions that have been in progress for some time", commented ASG CEO, Joe Nucci. "It just happens that they all came together at the end of the year." The latest of purchases includes a portfolio of accounts from two Houston-based alarm companies and a third in Dallas, Texas. ASG also acquired ABC Security Corporation, based in the Annapolis, Maryland, area. "ABC Security has been locally owned and operated since 1953 and is one of the most recognizable commercial security companies in Annapolis. ABC is a great strategic addition to our Mid-Atlantic operations".

ASG Security is headquartered in Beltsville, Maryland, with full service operations in the Mid-Atlantic/Washington D.C. region and throughout the State of Texas. One of the 20 largest U.S. security alarm companies, ASG is focused on the commercial and residential market segments and serves more than 100,000 subscribers. ASG's service offerings include video surveillance, access control solutions, fire alarms and security systems.
