Magazine Issue: **November 2003**

Items from Alarm Security Group, ACM U.L. Monitoring, March Networks, NEP Broadcasting, PSA Security Network

Past Stories

Alarm Security Group LLC (ASG) has tapped 20-year industry veteran **Joe Nuccio** as its president and CEO. He was most recently Protection One's central region vice president.

April Cannon has been promoted to vice president of ACM U.L. Monitoring. Cannon has been with the company for the last eight years as general manager and central station manager.

March Networks' Board of Directors has appointed **Peter Strom** to the position of COO. Strom, who joined March Networks earlier this year, has been an executive at Gyyr Inc., Sensormatic, Honeywell and Mosler Inc.

Peter Michel, who served as the CEO for Brink's Home Security from 1988 to 2002, has been named president and CEO for NEP Broadcasting LLC, a provider of remote television broadcast facilities for the sports and entertainment industry.

Rob Munro has joined PSA Security Network as its vice president of business development. In his new position, the 12-year industry veteran will work closely with **Michelle Medina**, who also holds the same position.
